For long-term monthly rentals, this security deposit is strictly held as protection against vehicle damage, extreme neglect, traffic violations, or breach of agreement terms.

- **Refund Process:** Upon the vehicle's safe return matching the original pre-rental condition inspection (less normal wear and tear), the Security Deposit will be fully released or refunded within **48 to 72 business hours**.

5. MANDATORY LONG-TERM MAINTENANCE & INSPECTIONS

For long-term contracts (specifically commitments extending to weekly/monthly terms), vehicle health monitoring is crucial:

- **Mandatory 30-Day Check-in:** For all rentals extending 30 days or longer, the Renter **MUST** present the vehicle to the Owner's service depot or an authorized facility every **30 calendar days** for a mandatory 15-minute diagnostic inspection, fluid top-up, and oil level check. Failure to comply voids insurance coverage and initiates immediate breach-of-contract penalties.
- **Daily Operator Routine:** The Renter agrees to perform basic monitoring daily, including checking engine oil levels, tire pressures, and radiator fluid levels.
- **Mechanical Faults:** If any warning lights clear on the dashboard, or if the vehicle undergoes an unexpected operational anomaly, the Renter must stop operation immediately and notify the Owner. Continued operation under mechanical strain will hold the Renter fully liable for subsequent engine/powertrain damage.

6. INSURANCE, INSURANCE DEDUCTIBLE, AND LIABILITY

- The vehicle is covered under a comprehensive commercial auto policy. In the event of an accident or collision, the Renter is solely responsible for paying an upfront deductible of **$**_____ **BZD**.
- The Renter assumes full financial and legal responsibility for any physical harm, structural loss, or property damage resulting from gross negligence, driving under the influence of controlled substances, or unapproved drivers operating the vehicle.
